

Jungle Wash

A highly effective, eco-friendly, palm oil-free manual dishwash detergent that cuts through grease and food residue from dishes, glasses, cutlery, pots and pans.

Features & Benefits

- Formulated from sustainable raw ingredients
- Free from irritating fragrances
- Salt-free formula
- Doesn't contain palm oil - no habitat deforestation!

Product Sizes

5 Litre

DIRECTIONS:

- 1) Fill clean sink with warm to hot water.
- 2) Apply 10-15mls to a normal 5-10LTR water volume, adding more if required for very fatty dishes.
- 3) Manually wash utensils, crockery, cutlery and all kitchenware.

- 4) Stand to dry.
- 5) Items must be rinsed with potable water after use.

All toiletry products have an effect on the environment. Always use the correct dose for maximum efficiency and minimum environmental impact.
